SUMMARY

UI/UX Designer with hands-on experience designing **user-centered** web and mobile interfaces in **Figma**, from **wireframes** and **user flows** to **high-fidelity prototypes**. Skilled in **user research**, **interaction design**, **information architecture**, **responsive design**, and **design thinking**, with front-end knowledge of **HTML**, **CSS**, and **JavaScript**. Collaborates with **stakeholders** and **cross-functional teams** to deliver intuitive, **accessible** user experiences.

EDUCATION

Engineering College Bikaner

Sep 2022 - Jun 2026

Bachelor of Technology (B.Tech), Computer Science & Engineering

TECHNICAL SKILLS

- **UI/UX Design:** Figma, Wireframing, Prototyping, High-Fidelity Mockups, User Research, User Flows, User Personas, Information Architecture, Interaction Design, User-Centered Design, Design Thinking, Design Systems, Responsive Design, Mobile & Web UI, Usability, Visual Hierarchy
- **Front-End Development:** HTML, CSS, JavaScript
- **AI Tools:** Figma AI, Google Stitch, Claude, Midjourney, Adobe Firefly, AI-Assisted Design
- **Soft Skills:** Communication, Adaptability, Teamwork, Collaboration, Stakeholder Management

EXPERIENCE

UI/UX Design Intern - CypherXelites

May 2026 - Sep 2026

Figma, Prototyping, Responsive Design, Information Architecture

- Designed **high-fidelity product interfaces** in **Figma**, translating client requirements and business goals into polished, user-ready screens that improved **stakeholder sign-off** speed.
- Built **responsive website layouts** and page structures, converting client needs into functional, **user-friendly designs** that improved overall **usability**.
- Managed and organized project data, keeping **design files**, **assets**, and content accurate and consistent across deliverables to support faster **team handoffs**.

Web Designer - Trivana Hospitality LLP

Apr 2025 - May 2025

Figma, Wireframing, Interactive Prototyping, Dashboard Design

- Designed **hotel management panel** interfaces in **Figma**, streamlining booking oversight, room status tracking, and **property management workflows** for internal teams.
- Designed **restaurant booking flows** and **interactive prototypes**, translating business requirements into intuitive, **user-centered** screens that reduced **booking friction**.
- Built **wireframes** and **high-fidelity mockups** aligned with **UX best practices**, delivering hotel and restaurant booking experiences **end-to-end**.

Front-End Web Developer Intern - IBM

Jun 2024 - Aug 2024

HTML, CSS, JavaScript, Responsive Web Design, Accessibility

- Built **responsive, cross-device web pages** using **HTML**, **CSS**, and **JavaScript**, ensuring consistent performance across desktop, tablet, and mobile.
- Engineered **reusable UI components** optimized for **performance**, **scalability**, and consistency across multiple platforms.
- Applied **UI/UX** and **accessibility** principles to improve **navigation**, boosting overall **user engagement**.

PROJECTS

Finora

UI/UX Case Study

Figma, Fintech UX, Information Architecture, User Flows, Wireframing, Design System

- Designed **32 high-fidelity mobile screens** in **Figma** for a **fintech app** with payments, **subscription tracking**, and a **Family Wallet**.
- Mapped **user flows** for **6 core journeys** and built a clear **information hierarchy** to reduce **cognitive load**.
- Applied **progressive disclosure** and **Hick's Law** to turn complex spending data into actionable **AI insights**.

MyFeast - Food Discovery & Ordering App

UI/UX Case Study

Figma, User Journey Mapping, Information Architecture, Wireframing, Design System

- Designed **30 high-fidelity mobile screens** in **Figma** for a **food ordering app**, from onboarding to **order tracking**.
- Built a **4-step guided decision flow** and **budget-based discovery** to reduce **decision fatigue**.
- Streamlined the **end-to-end checkout flow** with **dish customization**, a **budget tracker**, and clear **system feedback**.

CERTIFICATIONS

- **Google UX Design Professional Certificate** - Coursera
- User Experience Design Fundamentals
- AI for Designers
